Senior Centers Are Open!

We are elated to welcome our seniors of Valencia County back to our senior centers. After a long year of the Covid-19 pandemic, our senior centers are now open as of July 12th.

With the exception of the Belen Senior Center. Belen will reopen on August 16th.

Our community is doing a great job in getting vaccinated. The more this happens the sooner we will be able to move forward with increasing services. However, things will be a little different as we transition back. We will have to redefine normal and it will be a new change for all of us. We would like to remind everyone we are still in a pandemic and it is important for us to practice social distancing and to follow protective guidelines, which are critical to our reopening. Each of us must play a responsible role in taking protective measures. There will be changes to the CDC guidelines for wearing masks. Please be safe and stay tuned for more updates on our gradual reopening plan.

Rest in peace *Norbert Schueller*

Norbert Schueller, 74, a longtime resident of the Belen area, died on June 6, 2021, after a long battle with cancer. Norbert was born in North Dakota and lived for many

years in California before moving to Valencia County. An avid animal lover and devout Catholic, Norbert was active in civic affairs in the county, including his candidacy for the county commission in 2014. During his long-life Norbert was a Navy seaman, a monk, and earned a law degree.
